

2022 – 2023 Canyonside Christian School

Parent Partnership Agreement

Canyonside Christian School is for parents who want to be actively involved in their child's education and who desire to work in partnership with the school and the educational goals set for your child. This includes, but not limited to, involvement in the classroom, at home, fundraising, field trips, committee work, etc.

Limited finances keep us from hiring the specialized teachers needed to aid children with specialized learning disabilities, social, emotional, or behavioral needs. Therefore, children needing significant amounts of redirection and one on one teacher time and/or independent special services need to seek an educational environment that is staffed to do so.

I agree to be a positive supporter of CCS and when concerns arise, I will discuss these issues with the teacher, then the Administrator, and finally with the Board of Directors (BOD) if the issue is not resolved.

I agree to be an active partner in my child's education and will support the discipline policies adopted by Canyonside Christian School.

I understand that the tuition I pay does not fully cover the costs of educating my child(ren). I agree to be an active supporter of CCS fundraisers by volunteering with any help needed and/or purchasing products.
