Please remember to send a coat, gloves, and snow clothes to school. We will be going outside for recess when the temperature is above 30 degrees for preschool, and 20 degrees for elementary students.

Special thank you to Mrs. Lassen for her hard work and dedication to our Christmas Program. Thank you to all of the parents and teachers who gave of their time to help and bake cookies.

Congratulations to all of our CCS students who did an amazing job!

The importance of prayer is affirmed throughout the Bible. At CCS your needs are important to us. We would love to join you in prayer for anything you might need.

Please send prayer request to administrator@canyonsidechristian.school. If you would like to remain anonymous please be sure to state that.

We have started our weekly Bible study series. We welcome you to join us, Wednesdays @ 3:15 in the sixth-grade room. Currently we are studying Christmas. We are using the "Walking the Text" series. If you have any questions, please contact MS. Anny.
